Municipal Council
Township of North Kawartha
280 Burleigh St.
Apsley Ontario K0L1A0

Please accept this letter of request to purchase a portion of opened municipal road allowance abutting the property described as:

48 Fire Route 76A North Kawartha, ON K0L1A0
CON 15 PT LOT 38 PT LOT 39

This road allowance, which cuts through my property, has been redundant since 2014. It was closed when Fire Routes 76 & 76A were constructed for the 13 cottages on the Alder Bay shoreline, Eels Lake. These new roads were built on crown land behind our properties. This particular piece of land (Part 2) is landlocked on all sides. I would like to purchase this redundant road allowance, just as several of my neighbours have, to unite my two parcels of land that are on both sides of it.

Sincerely yours,

Stephen Travers
