TOWNSHIP OF

# North Kawartha

North Kawartha shares a vision of supporting a united and healthy community connected to our natural heritage. North Kawartha is a very popular tourist destination. There are two Provincial Parks within our boundaries; Petroglyphs Provincial Park displaying the largest known concentration of aboriginal rock carvings in Canada and the recently designated 34,000 hectares set aside for long-term preservation as the Kawartha Highlands Provincial Park, due to the fragile ecosystem.

The Township of North Kawartha is a municipal government providing services to a population of approximately 2,877 year round residents and 12,000 seasonal residents for a total population of approximately 14,877 residents.

Residents, both permanent and seasonal enjoy all the benefits of living in our phenomenal community. Come and discover the natural beauty!

# Preparing for an Emergency

Emergency Management has 4 stages: Mitigation/Prevention, Preparedness, Recovery and Response. Individuals should be self reliant for 72 hours / 3 days. Protecting yourself begins at home before an emergency strikes. Protect your property with adequate insurance.

People who may require accommodated services and extra assistance in a disaster should contact the municipality. We strive for a disaster resilient community!

For more information or a presentation to your group, contact Alana Solman, Community Emergency Management Co-Ordinator at 705-656-4445 ext. 236 or [A.Solman@northkawartha.ca](mailto:A.Solman@northkawartha.ca)
